To Whom it May Concern,

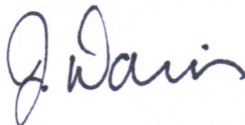

Christine Amsden of T.A. & Associates has been providing translation services for Brees Communications Inc. since January 2010.

Since partnering with Brees Communications, T.A. & Associates has provided translation on a number of projects, all of which have had tight deadlines, requiring large volumes of text to be translated in a matter of days or even hours. With each project, T.A. & Associates rose to the occasion providing all of the translation required with accuracy, attention to detail and always before the deadline. Many times inconsistencies or potential issues/concerns were caught early on in the translation process, saving our clients both time and money in the long run.

Christine Amsden is extremely organized, hardworking and a true professional who takes great pride in her work. She is diligent in her translations and does the background research necessary to understand the body of work she is translating. Always reachable and ready to take on any project and its deadline, Christine continuously exceeds all expectations with each new project.

It is an absolute pleasure to work with T.A. & Associates and we highly recommend their services for anyone looking for fast, efficient translation.

Sincerely,
