Christie InnoMed inc. is pleased to broadcast our satisfaction with the translation services provided by T.A. & Associates since 2010.

Since working with Christine Amsden of T.A. & Associates, we have received translated documents of a quality surpassing by far that of competitive organizations we had given projects to over the past years. The dependability of T.A. & Associates has exceeded our rigorous expectations, not only for their adherence to our timelines, but with their ability to return professionally finished documents within very short notice. This, in reality, has impressed us. We feel secure with the knowledge that we are in the hands of a professional.

We also want to emphasize the reliability and excellent services provided by T.A. & Associates. For the past eighteen months we have depended on the availability and competence of T.A. & Associates who continue to exceed our requirements.

In conclusion, we do not hesitate to extend our recommendation to those organizations that can be guaranteed a service well beyond their expectations.
